

Proposed southern extension of Trunk Road

The community south of the Parks Highway, between South Trunk Road and Fairview Loop Road, is growing. The new elementary school will open its doors in 2009. The Matanuska-Susitna Borough needs your help to find ways to make traveling easier and safer for the walking, biking and driving public.

Come to a meeting to review alternatives, share local knowledge, and discuss ideas with the project team. **This is the first of several planned meetings.** We welcome your input!
