

The community south of the Parks Highway, between South Trunk Road and Fairview Loop Road is growing. The new elementary school will open its doors in 2009. The Matanuska-Susitna Borough needs your help to find ways to make traveling easier and safer for the walking, biking and driving public.

Come to the public meeting and workshop for a project update and to discuss ideas with the project team. **This is the second of several planned meetings.** We welcome your input!

Date: Tuesday, April 28, 2009
