MEETING INFORMATION:

The purpose of the meeting was to provide an opportunity for residents to view the final design and provide comments. Attendees were greeted at the door and asked to sign in. Staff explained that the meeting was an open house and no formal presentation was to be provided. Attendees were encouraged to view the design, ask questions of the various team members available and provide written or oral comments.

The team had received questions about improvement of adjacent neighborhood streets and provided a flyer addressing the Municipality of Anchorage Road Improvement District guidelines.
